DINING GUIDE

2022

WAYNESBURG UNIVERSITY

Dining Services

WELCOME

Welcome to the dining program at Waynesburg University managed by Aladdin food service. We offer a program that meets the needs of today's college student. Each year you will experience exciting changes, fresh menus, and new enhancements to your dining experience. The enhancements will be a result of the feedback and input of students, faculty, and staff on campus.

SPECIAL DIETARY NEEDS

Waynesburg's dining program and a Registered Dietitian (R.D.) will work with parents, school nurses, teachers, and health care providers to help manage students' food allergies and special diets by:

- » Working with physicians, dietitians, or qualified nutrition specialists to manage dietary substitutions.
- » Knowing where emergency medications are stored and knowing how they should be administered in case a student has an allergic reaction.
- » Reviewing menus with parents or students who have food allergies to determine what, if any, menu items need to be substituted.
- » Students with special dietary needs should seek accommodation through the Office of Disability services. All efforts will be made to meet the special needs of students. Students who are too ill to attend class or come to the dining hall should obtain a special dietary request form from the nurse.
